1. UI Layout

Login /Registration

The image displays a user interface for the Zapato application, featuring a login and registration section. On the left, a large pink square contains the 'zapato' logo in a bold, lowercase, sans-serif font. Below this, there are two sets of input fields: one for 'Username' and 'Password' on the left, and another for 'Username', 'Password', 'Confirm Password', and 'Email' on the right. The 'LOGIN' and 'REGISTER' buttons are positioned below the first set of fields, while a single 'REGISTER' button is below the second set. A 'Forgot password' link is located between the two sets of fields. At the bottom left, there is a 'Sign in with Google' button featuring the Google logo.

Feedback

YeezyBuyer2
Great seller, fast shipping! Really knows his Yeezys. This guy is crazy for Kanye.
★★★★★

YeezyHimself69
Overpriced, but I got my Yeezys fast. He doesn't know as much as I do about Kanye.
